

biotechne®

Antibodies: Your Complete Source

Find What You Need

Our offering of over 155,000 antibodies is the largest on the market.

Be Confident in Your Purchase

Our antibodies provide specificity and consistent performance. They are 100% guaranteed to work in the application and species listed.

Take Advantage of Our Unique Clones and Exclusive Antibodies

We offer hundreds of world-renowned unique clones developed and validated by our scientists, many of which have been used by HLDA to establish CD nomenclature, and over 15,000 antibodies exclusively available from us.

Make an Informed Decision

Our antibodies are accompanied by over 200,000 data images and 2,000 customer reviews.

Widely Cited

Our antibodies have been cited over 37,000 times in the primary literature.

The Largest Antibody Selection on the Market

- 155,000 Antibodies
- 33 Applications
- 48 Species

Immunohistochemistry

Immunocytochemistry
