

new lab
start-up
program

Build. Equip. Manage. Excel.

Congratulations on Your New Lab

Let us help you get started!

The New Lab Start-Up Program (NLSU) gives you exclusive, 12-month access to money-saving offers on the supplies you need to help your lab excel while maximizing your budget. The program includes more than 60 special offers that could save you thousands of dollars in start-up costs.

Our suppliers are offering discounts across a broad range of products, giving you the opportunity to choose the items you want from the brands you trust most.

NOTE: The offers listed in this brochure may only feature a sample of the qualifying and redeemable products available for each promotion. Visit the offer link to view the full details of each promotion. Promotions are subject to change. Check the New Lab Start-Up website for the most up-to-date list of available promotions.

U.S. Only: These promotions are not available to our current or potential healthcare customers. Healthcare customers include any healthcare practitioner, other healthcare provider or any individual or organization authorized to prescribe, dispense, purchase or influence the acquisition or use of medical devices or supplies for clinical use. Healthcare customers include, without limitation, any "Health Care Practitioner" under the Massachusetts Marketing Code of Conduct Law (defined at 105 C.M.R §907.004) or a "Health Care Provider" under the Vermont Prescribed Products Gift Ban and Disclosure Law (defined at Vt. Stat. Ann. Tit. 18, §4631a(8)). By participating in any of these promotions, you warrant that you are not a current or potential healthcare customer. Thermo Fisher Scientific reserves the right to determine your status in the event of a dispute.

This Is How It Works

Step 1: Qualify

To qualify for the New Lab Start-Up Program, you must have met at least one of these criteria within the past 12 months:

- Built or established a new lab
- Received your first research grant
- Moved to a new location

In the U.S., current or potential healthcare customers are not eligible for the New Lab Start-Up Program. Because many institutions have affiliations with healthcare professionals (HCPs), we need to validate that your lab's activity, personnel, and purchasing are not considered HCPs prior to admission into the New Lab Start-Up Program.

Visit fishersci.com/newlab or fishersci.ca/newlab to apply.

Once your application is accepted, you'll receive a welcome email with your unique **PIN**. Keep your **PIN** handy—you'll need it to sign in whenever you redeem a New Lab Start-Up offer.

Step 2: Shop

- Browse more than 60 special offers by category and supplier
- Purchase the products you need for your new lab

Step 3: Save

- Place your order for a qualifying product
- Sign in to the New Lab Start-Up Redemption Center using your NLSU **PIN** and email
- Complete the form for your redeemable product, provide the order number information, and submit

Take advantage of as many New Lab Start-Up promotions as you'd like during your membership in the program. Each offer is limited to one redemption unless otherwise indicated. Include all qualifying products for an offer using a single purchase order.

Your redeemable product(s) will be delivered approximately six to eight weeks after your submission.

Visit fishersci.com/newlab or fishersci.ca/newlab for more promotion and redemption information.

Frequently Asked Questions

- Q** Where do I sign up for the New Lab Start-Up Program?
A: Visit fishersci.com/newlab or fishersci.ca/newlab to sign up.
- Q** How long will it take to get my **PIN**?
A: It can take 24 to 48 business hours to receive your **PIN** after your submission is complete.
- Q** What should I do if I forget my **PIN**?
A: Please contact NewLabStartUp@thermo.com if you forget your **PIN**.
- Q** How long will it take for me to receive my redeemed products after submitting a redemption form?
A: It may take six to eight weeks from the day you submit the NLSU redemption form to receive your redeemed product. An NLSU team member will contact you if more information is needed or if there are issues with redemption, either of which can cause redemption delivery delays.

Q Can I redeem an offer more than once?

A: No. Each offer can be redeemed only once.

Q Am I able to combine multiple purchase orders to meet the qualifications of the offer?

A: No. Unless otherwise specified, purchase all qualifying products for each offer on a single purchase order.

Q How do I submit a redemption form?

A: Visit fishersci.com/newlab or fishersci.ca/newlab. Select the **Log In & Redeem** button. Use your NLSU **PIN** and email address to submit your redemptions.

Q Can my **PIN** be reactivated?

A: No. We can't reactivate an NLSU **PIN**.

Q How long do I have to submit my redemption(s)?

A: You have 12 months from the day you were approved for the NLSU program to redeem your items.

Q Who can I contact if I have issues with a redemption?

A: Please contact NewLabStartup@thermo.com with any redemption-related issues.

Q Can I select redeemable items based on my specific pricing?

A: No. All product redemptions are at list price.

Q If the product I want to redeem exceeds the “up to” dollar amount for the offer, may I redeem and pay the difference?

A: No. The list price total for the redeemed item(s) cannot exceed the “up to” dollar amount listed on the offer.

Get 1 Extra Fisherbrand Chair or Stool When You Buy 4

Fisherbrand™ chairs and stools are designed for comfort and durability for less stress on your back and more focus on your work.

Get Filters and UV Bulbs with Mystaire Enclosure Purchase

Reduce the risk of sample contamination by performing PCR using Mystaire™ compact laminar flow enclosures. The built-in shortwave (254 nm) ultraviolet lamp effectively decontaminates the work area between sessions and safely interlocks to avoid exposing the operator to UV radiation. Replaceable prefilters remove submicron particulates, extending the life of the main HEPA filter.

Qualifying Products

Cat. No.	Description
15-338-366	Mystaire MY Model PCR Prep Station Class 100 Enclosure, W: 32 in.
15-338-960	Mystaire MY Model PCR Prep Station Class 100 Enclosure, W: 48 in.

Redeemable Products

Cat. No.	Description
15-338-003	Pre-Filter Model MTPRELF, 12/Pack
15-338-005	Pre-Filter Model MTPRE7, 12/Pack
15-338-000	UV Bulb, Shortwave (254 nm), Each

Visit fishersci.com/mystaire-pcr24 or fishersci.ca/mystaire-pcr24 to see the full offer details and the complete selection of qualifying and redeemable products.

Equipment and Instruments

Get Fisherbrand Bead Mill Tubes with Homogenizer Purchase

Use the Fisherbrand™ Bead Mill 24 Homogenizer for applications that require grinding, lysing, and homogenizing biological samples before molecular extraction. It also can simultaneously process 24 x 2 mL or 0.5 mL tubes.

Fisherbrand Hard Tissue Homogenizing Mix Tubes have a 2 mL capacity and contain 2.8 mm ceramic beads for processing brain, muscle, and other tough sample materials.

Qualifying Product

Cat. No.	Description
15-340-163	Fisherbrand Bead Mill 24 Homogenizer

Redeemable Product

Cat. No.	Description
15-340-154	Fisherbrand Hard Tissue Homogenizing Mix Tubes, Contain 2.8 mm Ceramic Beads, 2 mL, 50/Pack

Visit fishersci.com/fisherbrand-bead-tubes24 or fishersci.ca/fisherbrand-bead-tubes24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get a Carousel with Thermo Scientific Spectrophotometer Purchase

The automated and network-capable Thermo Scientific™ GENESYS™ 150 UV-Vis Spectrophotometer lets you perform quantitative measurements in routine industrial QA/QC or university chemistry labs. Optimized for usability and performance, it features a high-resolution color touchscreen, room-light resistance, and a rugged design for repetitive, heavy-use environments.

The GENESYS 8-Position Carousel for 10 mm pathlength cells includes a magnetic latch for easy carousel exchange.

Qualifying Product

Cat. No.	Description
14-385-353	Thermo Scientific GENESYS 150 UV-Vis Spectrophotometer

Redeemable Product

Cat. No.	Description
14-385-374	Thermo Scientific GENESYS 8-Position Carousel

Visit fishersci.com/genesys24 or fishersci.ca/genesys24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get Extra Services with Thermo Scientific Raman Instrument Purchase

The easy-to-use Thermo Scientific™ MarqMetrix™ All-In-One Process Raman Analyzer is compact, portable, and built for rapid deployment and flexible scalability where time-to-results is key.

When you use virtual qualification and training services, you can be confident that your system is installed, operating, and performing correctly.

Qualifying Product

Cat. No.	Description
18-001-153	Thermo Scientific MarqMetrix All-In-One Process Raman Analyzer

Redeemable Product

Cat. No.	Description
16-999-103	MarqMetrix All-In-One Virtual Qualification (IQ/OQ/PQ) and Training

Visit fishersci.com/marqmetrix24 or fishersci.ca/marqmetrix24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get an Extra Thermo Scientific Cimarec Hotplate or Stirrer with Purchase

Increase your stirring control for routine protocols using Thermo Scientific™ Cimarec+™ Series Digital Stirrers, available in three sizes to best suit your stirring needs.

Thermo Scientific Cimarec+ Stirring Hotplates are also available in three sizes, providing you with safety and flexibility from microscale chemistries to production operations.

Qualifying and Redeemable Products

Cat. No.	Description
14-490-205	Cimarec Basic Stirring Hotplate, Ceramic, 7.25 x 7.25 in.
14-490-202	Cimarec Basic Stirring Hotplate, Ceramic, 4.25 x 4.25 in.
HP88854100	Cimarec+ Hotplate, Ceramic, 4.25 x 4.25 in.
HP88857100	Cimarec+ Hotplate, Ceramic, 7.25 x 7.25 in.
HP88850100	Cimarec+ Hotplate, Ceramic, 10.25 x 10.25 in.

Visit fishersci.com/cimarec+24 or fishersci.ca/cimarec+24 to see the full offer details and the complete selection of qualifying and redeemable products.

Equipment and Instruments

Get 1 Extra Thermo Scientific Locator LN2 Container When You Buy 2

Economically store up to 6,000 samples Thermo Scientific™ Locator™ Plus LN2 Containers with rack and box storage systems. Sample retrieval is simple, the unit consumes minimum liquid nitrogen, and the system is available with or without an ultrasonic LN2 level monitor.

Qualifying and Redeemable Products

Cat. No.	Description
13-762-353	Thermo Scientific Locator Jr. LN2 Dewar with Rack and Box Storage, Capacity: 2,000 vials
13-762-355	Locator 4 Plus LN2 Dewar with Rack and Box Storage, Capacity: 4,000 vials
13-762-356	Locator 6 Plus LN2 Dewar with Rack and Box Storage, Capacity: 6,000 vials

Visit fishersci.com/locator-plus24 or fishersci.ca/locator-plus24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get 1 Extra Thermo Scientific Precision Water Bath When You Buy 2

Support your applications with Thermo Scientific™ Precision™ general purpose water baths, designed to maintain temperatures from ambient to 100°C and available in capacities from 2 L to 28 L.

Qualifying and Redeemable Products

Cat. No.	Description
TSGP02	Precision General Purpose Water Bath, Capacity: 2 L
TSGP05	Precision General Purpose Water Bath, Capacity: 5 L
TSGP10	Precision General Purpose Water Bath, Capacity: 10 L
TSGP20	Precision General Purpose Water Bath, Capacity: 20 L
TSGP28	Precision General Purpose Water Bath, Capacity: 28 L

Visit fishersci.com/water-bath24 or fishersci.ca/water-bath24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get 1 Extra BUCHI Rotary Evaporator When You Buy 3

Simplify your workflow when you equip your new lab with modern and easy-to-use BUCHI Rotavapor™ rotary evaporators. Choose the compact and energy-efficient R-80, economical entry-level R-100, or convenient and versatile R-300 models.

Qualifying and Redeemable Products

Cat. No.	Description
01-672-979	BUCHI Rotavapor R-80 Rotary Evaporator, Vertical Condenser
01-672-984	BUCHI Rotavapor R-80 Rotary Evaporator, Cold Trap Condenser
01-672-976	BUCHI Rotavapor R-80 Rotary Evaporator with Controller, Vertical Condenser
01-672-981	BUCHI Rotavapor R-80 Rotary Evaporator with Controller, Cold Trap Condenser
05-405-109	BUCHI Rotavapor R-100 Rotary Evaporator, Vertical Condenser
05-405-106	BUCHI Rotavapor R-100 Rotary Evaporator, Cold Trap Condenser, Safety-Coated Glassware
05-000-977	BUCHI Rotavapor R-300 Rotary Evaporator, Electronic Lift, Vertical Condenser
05-000-947	BUCHI Rotavapor R-300 Rotary Evaporator, Electronic Lift, Cold Trap Condenser
05-405-204	BUCHI Rotavapor R-300 Rotary Evaporator with Controller and Pump, Electronic Lift, Vertical Condenser
05-001-067	BUCHI Rotavapor R-300 Rotary Evaporator with Controller and Pump, Electronic Lift, Cold Trap Condenser

Visit fishersci.com/buchi-rotavapor24 or fishersci.ca/buchi-rotavapor24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get Extra MP Biomedicals Products with Purchase

Choose MP Biomedicals™ chemicals, biochemicals, cell culture reagents, nucleic acid purification kits, antibodies, and other products for your research needs.

Qualifying and Redeemable Products

Cat. No.	Description
11-600-5500	MP Biomedicals™ FastPrep-24™ 5G Bead Beating Grinder and Lysis System
MP116910100	MP Biomedicals Lysing Matrix A, 2 mL Tubes, 100/Pack
MP11618710	MP Biomedicals RapidTaq qPCR MasterMix (2X), 500 Reactions
MP113002026	MP Biomedicals LB Medium, Large Capsules, 454 g
MP08L100252	MP Biomedicals Triple Color Precision Protein Ladder (10-180 kDa), 250 µL
ICN3050044	MP Biomedicals Mycoplasma Removal Agent (MRA), 5 mL
ICN7667093	MP Biomedicals™ 7X™ Laboratory Detergent, 1 gal.
ICN1260354	MP Biomedicals RPMI 1640 Medium, 1X, with L-Glutamine, Na Bicarbonate, 500 mL
MP21948485	MP Biomedicals Sodium Chloride, Molecular Biology Reagent Grade, 500 g

Visit fishersci.com/mpbiomedicals-products24 or fishersci.ca/mpbiomedicals-products24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get Up to \$500 in Ricca Chemicals When You Spend \$100 or More

When you buy \$100 or more in qualifying RICCA Chemical Company™ products, you'll get up to \$500 more to spend on products at no additional cost:

- Spend \$250, Get \$250 More
- Spend \$1,000, Get \$1,000 More
- Spend \$500, Get \$500 More

Qualifying and Redeemable Products

Cat. No.	Description
1551-16	pH Buffer Reference Standard, 7.00, Yellow, 500 mL
9150-5	Water, ACS Reagent Grade, ASTM Type I, 20 L
5350-5PT	Nitric Acid, 50%, 500 mL
7280-5	Sodium Hydroxide, 40%, Nitrogen Free, 20 L
6458-16	Potassium Pyroantimonate TS, 500 mL
2795-32	Electrode Storage Solution, 1 L
4210-5	Isopropyl Alcohol, 70%, 20 L
25467025	Reagent Alcohol (Denatured Alcohol), 70%, 10 L
588801-32	Conductivity Standard, KCl, 1,000 µS/cm, 1 L
7000-1	Silver Nitrate, 0.100 N, 1 L

Visit fishersci.com/ricca24 or fishersci.ca/ricca24 to see the full offer details and the complete selection of qualifying and redeemable products.

Get \$250 in TCI Chemicals When You Spend \$250

TCI offers quality chemicals needed for reactions, synthesis, analysis, and more for a range of applications to help you do more for less.

Qualifying and Redeemable Products

Cat. No.	Description
T0424500ML	Triethylamine 99.0+%, 500 mL
B3021250G	Benzyl Chloroformate 96.0+%, 250 g
F065425ML	Formic Acid 98.0 %, 5 mL
T0424100ML	Triethylamine 99.0+%, 25 mL
T0431100G	Trifluoroacetic Acid 99.0+%, 100 g
M0418100ML	1-Methyl-2-pyrrolidone 99.0+%, 100 mL
O0082100G	Oxalyl Chloride 98.0+%, 100 g
S0481100G	Sodium Hydride (60%, Dispersion in Paraffin Liquid), 100 g
D086025G	1,4-Dioxane (Stabilized with BHT) 99.0+%, 25 g
A014125G	Acrylic Acid (Stabilized with MEHQ) 99.0+%, 25 g

Get a Disposal Box with Fisherbrand Tubes Purchase

Fisherbrand™ Disposable Borosilicate Glass Tubes with Plain End are made to reduce pH changes and contaminants potentially leached from soda lime glass. Use these tubes for tissue culture and clinical chemistry applications. Keep glass separate from other waste with Fisherbrand glass disposal boxes. They're manufactured from sturdy corrugated cardboard and come with polyethylene liner bags.

Qualifying Products

Cat. No.	Description
14-961-25	Fisherbrand Disposable Borosilicate Glass Tubes, 10 x 75 mm, 1,000/Case
14-961-26	Fisherbrand Disposable Borosilicate Glass Tubes, 12 x 75 mm, 1,000/Case
14-961-27	Fisherbrand Disposable Borosilicate Glass Tubes, 13 x 100 mm, 1,000/Case
14-961-28	Fisherbrand Disposable Borosilicate Glass Tubes, 15 x 85 mm, 1,000/Case
14-961-29	Fisherbrand Disposable Borosilicate Glass Tubes, 16 x 100 mm, 1,000/Case
14-961-30	Fisherbrand Disposable Borosilicate Glass Tubes, 16 x 125 mm, 1,000/Case
14-961-31	Fisherbrand Disposable Borosilicate Glass Tubes, 16 x 150 mm, 1,000/Case
14-961-32	Fisherbrand Disposable Borosilicate Glass Tubes, 18 x 150 mm, 500/Case
14-961-33	Fisherbrand Disposable Borosilicate Glass Tubes, 20 x 150 mm, 500/Case
14-961-34	Fisherbrand Disposable Borosilicate Glass Tubes, 25 x 150 mm, 500/Case
