Fisherbrand Cleanroom Stationery and Consumables

Fisherbrand™ stationery products, consumables, and accessories are manufactured from the highest quality cleanroom compatible materials, then cleaned, double packaged, and boxed to protect your people and products in the most sensitive environments.

Cleanroom Paper

Designed for writing, printing, and photocopying in cleanroom environments, Fisherbrand cleanroom paper is used where prevention of chemical exportation and particle contamination is critical. It has been injected with a low-density polyethylene synthetic copolymer to substantially reduce particle generation. It offers:

- Exceptional thickness and strength
- High heat resistance and opacity
- Compatibility with printers and high-speed copiers
- ISO 4 (Class 10) Certification
