

RELIABLE SAFETY SOLUTIONS YOU CAN TRUST DESIGNED FOR FACILITIES

Ansell is your safety partner when identifying hazards and injury risks associated with each task and equipping facility workers with the right solution from our extensive portfolio of hand and body protection. Whether facing risk of cut, impact, abrasion, electrical shock, burn, chemical splash, or other hazards, Ansell can help you reduce on-the-job injuries and deliver the comfort, performance, and protection needed to keep your facilities and workers safe and productive throughout the day.

AlphaTec® 1800 STANDARD Bound - Model 111

Lightweight, breathable microporous laminate technology, Type 5/6 protection

- Protects against low-hazard liquid spray and fine particulates
- Comfortable to wear featuring moisture vapor permeable fabric ("breathable") to help reduce the risk of heat stress
- Optimized body fit, improving wearer comfort and safety
- Anti-static, tested according to EN 1149-5 and AATCC 76
- Low linting to help reduce the risk of cross contamination in critical areas
- Silicone-free, critical in spray painting applications
